Alumni Board Room  
University Commons

1. Curriculum Change Request Approval Process: Rollbacks from Director of Assessment
  - a. Rollback to dean's office:
    - i. Misaligned learning outcomes in bulletin and WEAVE
    - ii. Missing or inconsistent assessment reporting
    - iii. Typical solution: Record of agreement/plan to make corrections to assessment plan; recorded in comment box in CIM
2. Preparing for PAAS (Planning, Assessment, and Accreditation System): Challenges and Opportunities
  - a. Archiving history of assessment in WEAVE – Academic Affairs will complete this.
  - b. Migration of assessment plans – a phased process?
    - i. Who will input the information? Discussion considered pros and cons of teaching the degree programs' assessment point persons to "rebuild" the assessment plan in the new system.
    - ii. Suggestion: include CTLE in the migration process for those programs that need to improve their plan
    - iii. Caution: data integrity with many people involved with migrating assessment plans from WEAVE to PAAS
  - c. Implementation steering committee
    - i. Distinguish between the work of the implementation planning team and then the work training the users of PAAS
