[Teaching Online@VCU course](#)  
(12-15 hours, self-paced)

### START HERE

My course is already online and I want to learn more about pedagogy.

OR

### START HERE

I want to learn more about specific topics.

### [Topical CTLE workshops and sessions](#)

Sample topics include accessibility, online exams, and inclusive practice

### [Topical self-paced opportunities and faculty resources](#)

Sample topics include active learning, effective discussion prompts, and universal design

Working together as a department, my colleagues and I want maximum support planning courses and help getting them into Canvas/Blackboard.

**Flexible Design Program**  
Instructional design and course builder support (department/unit focus; please contact your chair )

### START HERE

I want to create my hybrid or online flexible course for fall.

I want to learn more about online course design.

[Designing Online@VCU course](#)  
(12-15 hours, self-paced)

I will work on my own to build my course into Canvas/Blackboard.

### START HERE

I want to learn some Canvas skills.

### [Canvas support](#)

- VCU Intro to Canvas and Q&A sessions
- VCU Workshops
- VCU Updates website
- Growing with Canvas (self-paced course)

### START HERE

I want a guiding document to help me conduct a self-review to improve my course.
